We had a few mishaps on the night – I came off my bike putting out the controls, Chris Lewis' chain snapped and he pushed his bike around the rest . Phil's poor dog was not impressed with the 10K bike ride that she was forced to follow him on .

Many thanks to all who turned up , it was a glorious evening enjoyed by all. My thanks to David ( hubby) , Dave Mitchell and Chris Lewis for collecting controls – I let him borrow a decent bike! Thanks also to David for sorting out the results.

It's a shame that we didn't have more competitors as it was great fun.
