

## SBOC Summer League Event 12 at Ogof Ffynnon Ddu Aug 19th 2010

It was nice to have the time to look at the scenery and views when I was up there planning on the Sunday before the event. I never have the time when orienteering up there as it is such a technical area. Luckily the rain held off in the evening although it was somewhat chilly! Still I'm sure you were well warmed up by the end given the Green was a little on the long side not to mention about the crag (#12) marked in the wrong place on the master maps ☹. I'm sorry that some of you had to fight through Alice Bedwell sized tussocks to reach #13. Still it was nice to see so many there warming up for the coming multi day events and well done Ben and Sam. My thanks to Sarah, Phil, Chris and Roger for collecting the controls at the end.
