Hope you all enjoyed the event, I tried to mix up the Green starting off with standard cross country then a sprint around the Orangery before finishing off in the maze. The maze caught a few people out with some not even going to it! No takers on the Orange which was a shame. I hope the geo-cachers enjoyed their day in Margam and maybe we will see them again.

Apologies for the printing of the spilt but the printer seemed to have a mind of it's own.
