Thanks to everyone who turned up. I hope you enjoyed all the caves, crags and cliffs. Well done to Chris for finding the most controls and being back within the time. I think John was enjoying the views around Bishopswood a bit too much and you can't blame him. A big thanks to all those who collected in the controls.

We were also glad to welcome 31 new people (11 adults and 20 juniors) who tried out the permanent course and were not timed and shown above. We hope you are also able to come again next week (4<sup>th</sup> May) to Mumbles Hill (meet at Bracelet Bay car park) and then to join us on our regular summer series of events in the weeks which follow.
