Mike Dobbs	M65	SBOC	98.50 Wrong 4
John Heissig	M40	Ind	Missed 8,10,11
Patrick Jones	M20	SBOC	Retd

Only five hardy orienteers braved the weather on Wednesday evening. I had walked the course one rainy night but when I went to collect some controls on Wednesday I realised how much worse this was. In the fog I could only see 5m and it was difficult to even see where the path was. I have great admiration for anyone who actually found some controls in those conditions.

Many thanks to Roger for doing registration for me.

Dave
